 - 8.1. Requests to amend an existing booking must be submitted in writing (via email or the client portal) and are subject to availability and management discretion.
 - 8.2. Reasonable amendments such as adjusting arrival or collection times within confirmed dates, moving a booking by one day, or extending a stay where space permits may be accommodated without penalty where practical and fair.
 - 8.3. Substantial amendments, including moving a booking to entirely new dates, reducing the overall length of stay, or removing individual days, will be treated as a cancellation and new booking. Applicable cancellation terms will apply.
 - 8.4. Where an amendment is approved, the revised booking will be charged at the rates in place at the time of amendment.
 - 8.5. Crossroads Resort reserves the right to decline amendment requests where they would materially affect kennel availability or business operations.

8.6. Additional services or enrichment activities booked as part of, or in addition to, a boarding stay are scheduled services and subject to availability. Where such services are cancelled or amended while the boarding stay remains in place, a minimum of 48 hours' notice is required. 10. Where a dog is collected prior to the scheduled conclusion of the booking, the full booking value remains payable.

17.9. If the trial stay is successful, the booking will be confirmed and the deposit retained in accordance with these Terms and Conditions.

31. Daycare Access During Boarding Stays
 - 31.1. Crossroads Resort may offer half-day or full-day daycare access as an optional add-on to boarding bookings (hereafter "Daycare Access"). This service allows dogs staying in the kennels to spend supervised time in the designated daycare zones during the day.
 - 31.2. Daycare Access involves structured, supervised interaction and activity, including structured rest periods, with other dogs and staff within the daycare environment. Participation is limited to dogs assessed by Crossroads Resort as suitable for the daycare setting.
 - 31.3. Prior to booking Daycare Access as part of a boarding stay, the dog must have successfully completed an assessment session at the Crossroads Resort daycare centre. Dogs that have not completed, or have not passed, a daycare assessment are not eligible for this service.

32. All dogs participating in Daycare Access do so at the Owner's risk. While reasonable care, supervision, and safety measures are provided, Crossroads Resort accepts no liability for injury, illness, or loss occurring during daycare participation, except in cases of gross negligence or wilful misconduct by staff.
33. Any veterinary or medical costs arising from incidents during Daycare Access are the sole responsibility of the Owner.

35. Crossroads Resort reserves the right to withdraw, reschedule, shorten, or cancel Daycare Access at its discretion for operational, welfare, or safety reasons, including but not limited to staffing levels, weather conditions, or group compatibility.
36. Owners will be notified as soon as reasonably practicable if Daycare Access is altered, cancelled, or if their dog is withdrawn from participation.

37. The premises are fully secured, monitored 24/7, and enclosed within a six-foot perimeter fence.

38. Crossroads Resort reserves the right to amend these Terms and Conditions. The most current version is available at the office and on the website.

DAYCARE

1. Crossroads Daycare offers the freedom of an off-lead environment. The Client grants permission for their dog(s) to be off-lead, engaging in play and interaction with other dogs within the secure, zoned areas of the premises. All dog activities take place on-site; off-site lead walks are not part of the daycare service.

2. By entrusting their dog to Crossroads Daycare, the Client authorises Crossroads Daycare to group dogs according to age, size, play style, temperament, and overall suitability. Grouping decisions are made at the sole discretion of Crossroads Daycare and are based on the welfare of all dogs in our care.

3. A successful assessment does not guarantee ongoing acceptance into daycare. All dogs are continuously monitored, and Crossroads Daycare reserves the right to reassess or withdraw daycare access at any time should a dog's behaviour, tolerance of the environment, or welfare needs change.

4. Crossroads Daycare does not accept dogs under the age of 1 year.

5.5. Crossroads Daycare reserves the right to refuse entry or require immediate collection of any dog if, at any time, the dog's behaviour, health, stress levels, or welfare are deemed to pose a risk to themselves, other dogs, staff, or the safe operation of the daycare. No refund will be issued for the affected session.

17.4. Crates may be used for feeding, rest, or safety where necessary. Crating will not exceed one hour in any 8-hour period, in line with welfare standards.

18. Boarding Dogs Attending Crossroads Daycare

18.1. Dogs that are boarding with Crossroads Kennels and attending Crossroads Daycare will participate in daycare between 8:30am and 4:30pm only. This schedule allows the kennel team to complete morning and evening health checks, feeding, cleaning, and welfare routines. Crossroads Daycare cannot accommodate boarding dogs outside of these hours.

18.2. Where a dog is boarding and dropped off at the daycare centre, the Client must provide written feeding instructions directly to the kennels prior to arrival. Feeding instructions, unless written and provided with the food, cannot be accepted.

18.3. Any medication required during a boarding stay must be declared to the kennels prior to arrival, even where the dog is dropped off via Crossroads Daycare. Undisclosed medications cannot be accepted or administered at daycare check-in.

DISCLAIMER

1. Animal aggression poses a potential threat, leading to injuries, and in some cases, even fatal harm to both animals and humans. While treatments for aggression exist, success is not guaranteed, and behavioural modifications do not necessarily ensure effective control of aggressive tendencies.
2. Pet owners bear the crucial responsibility of ensuring their animals pose no harm in the future. This involves taking various precautions, such as keeping dogs on a leash, utilising muzzles, communicating any aggressive tendencies to others, avoiding interactions with specific individuals or dogs, and employing secure fencing and doors for confinement. Owners must consistently exercise vigilance over their pets and are strongly encouraged to secure adequate pet or household insurance coverage. This insurance should encompass liability for potential damage or injury caused by the pet to property or third parties. We highly recommend obtaining insurance that includes third-party liability coverage, with or without veterinary expenses.
